

IDB MOBILE TEST

Requirements:

- Create a homepage exactly like the one in the screenshots attached.
- Use HTML5 and CSS (You can also use Sass to give it some style).
- Don't use any framework like Bootstrap, just plain html.
- The homepage has to be fully responsive and the menu has to show up and disappear in the mobile version.

Assets:

- All the pictures needed are attached in the folder "assets" and the color palette is:

Blue: #2fc4ee;
Purple: #ba7bd5;
Yellow: #f4d156;
Green: #67c95d;
White: #fff;
Grey: #4b4b4f;
Light: #fdfdfd;
Dark: #1a1a1a;
Red: #d84848;

You have 72 hours to complete the task, once you've finished, reply to this email and attach a zip file.
Good luck!
